# First State Bank Nebraska

## A Place To Call Home

Ayars & Ayars, Inc. is proud to have been able to team up with First State Bank Nebraska as they continued their fantastic growth story! This two-story, 18,144 sq. ft. tilt-up facility now hosts a new branch office featuring state-of-the-art banking technology to enhance the customer experience. The Bank's corporate and operational divisions now call this facility home as well. The building provides an ideal blend of contemporary and classic design elements.
