

Cedar Bluffs Elementary School

Warm and Bright

New acoustic ceilings, improved lighting and a fresh coat of paint welcomed the students of Cedar Bluffs Elementary to the 2010 school year. Extensive HVAC modifications more efficiently circulate conditioned air - further enhancing the learning environment. A new ventilation/fire suppression system in the cafeteria kitchen improves everyone's health and safety. Highlighting the skills and management abilities of our Special Projects Group - the entire renovation was completed within a 42 day time frame.
