Immaculate Conception Catholic Church

Doorways

Ayars & Ayars, Inc's Special Projects Group was selected to install new doors, windows and millwork between the Nave and Narthex of Immaculate Conception. Creating casework that matched the "look and feel" of the existing sanctuary was critical to the success of this project.

"...acknowledge the professionalism and craftsmanship Special Projects Group exhibited ...The new doors blend in perfectly with our existing millwork... - I have not stopped receiving great complements about the craftsmanship - Rev. John Brancich, F.S.S.P. - Immaculate Conception Catholic Church.
