

Nebraska City Public Schools Administration Building

New Furnishings

Ayars & Ayars, Inc. is pleased to have been selected to complete a renovation project for Nebraska City Public Schools. They will be moving from their current administration building to the newly renovated area to expand their day to day operations. The first part of this renovation included demolition of doors, walls, ceiling tiles and frames as needed. After the demolition was completed, conference rooms, classrooms, and administrative offices were constructed and finished.
