Speedway Sporting Village Courts

Hoop it up!

The latest project at Speedway Sporting Village, located in southwest Lincoln, is a 76,000 sq. ft. facility which is destined to be indoor basketball and volleyball courts. This Butler Manufactured pre-engineered metal building features a 140 ft. clear span and a sky light system, which allows for ample amounts of light to illuminate the courts below. Speedway Sporting Village provides Lincoln with a new mecca for youth sports, tournaments, and community events.
