York Country Club

High Class Construction

Ayars & Ayars, Inc. was pleased to be selected design-builder of this clubhouse for York Country Club. Amenities include an open floor plan that accommodates up to 275 guests or can be reconfigured for more intimate venues, dance floor, full kitchen, bar, pro shop, locker rooms and staff offices. Our scopes of work included: foundations, cast-in-place concrete walls, carpentry, interior finishes, paving and landscaping. This project won an Excellence in Construction awards from both ABC and ACI.
