## Large Tactical Equipment Maintenance Facility

### Building Big

Ayars & Ayars, Inc. is pleased that the United States Army recognizes the benefits of design-build and self-performance. We believe these methods are the best assurance of quality workmanship and on time/on budget project completion. As part of the design-build team, Ayars & Ayars, Inc. scopes of work included foundations, concrete flatwork, and masonry.

### Project Details

Location:  
Fort Riley, Kansas

Size:  
46,530 sq. ft.

Type of Construction:  
Masonry Construction

Project Completion:  
2010

In 2008, operations at Fort Riley added \$1,823,810,369.00 to the Kansas economy - derived mostly from payroll.
