Medium Tactical Equipment Maintenance Facility - #2

Army Strong

Our work is complete on this new maintenance facility at Fort Riley. Highlighting the skills and abilities of our masons and concrete crews; the team's scopes of work included: foundations, concrete flatwork, and masonry. Together with the building under construction at Fort Leavenworth, we completed five separate projects for the US Army during the summer of 2010. Ayars & Ayars, Inc. is pleased to play a role in the defense of our nation.
