## Rixstine Recognition

### First Place Trophy

Our Special Projects Group was pleased to be selected to renovate and conserve the historic Rixstine Recognition building. The streetscape will be enhanced with stone accents and an upgraded entrance while the remainder of the building is finished in an attractive earthtone with blue and white trims. Our scopes of work included: carpentry, masonry, concrete, storefront and awning installation. In 2013, Rixstine Recognition celebrated its 80<sup>th</sup> year in business, Special Projects Group's conservation efforts will help ensure this building is viable for another 80 years.
