Rod Kush Warehouse

Keep Growing

Ayars & Ayars, Inc. was called upon again to partner up with Rod Kush. This time it was to design and build a new 32,000 sq. ft. warehouse addition and loading dock to the allow more storage for the existing Kush 7 Day Furniture store in Omaha, Nebraska. This Butler pre-engineered metal building stands 160' x 200'. Our scope of work included sitework, installation of footing / foundations, concrete work, masonry, construction of pre-engineered metal building structure, carpentry, and finishing work.
