Southeast Rural Fire Station

Prepared

Ayars & Ayars, Inc. was pleased to be selected design-builder for this Southeast Rural Fire Station. Highlighting the abilities of our concrete and steel erection crews, our scopes of work included: foundations, concrete placement, steel erection, interior finishes, MEP, paving & landscaping. The firehouse features “drive-through” access to help facilitate rapid response to all emergencies. Lincoln Rural Fire Department serves approximately 10,000 people living in an area of 99 square miles and protects rural areas outside Lincoln.
