

Schneider Electric - Square D Front Entrance

A New Way In

One of the many projects our Special Projects Group has completed in recent years at Schneider Electric's Square D plant in Lincoln; this one is notable because it was completed between 5:00 pm on December 23 and 5:00 pm on January 1. Our scopes of work included: demolition, wall preparation, wall coverings, new suspended ceiling, mechanical/ electrical modifications, carpet, vinyl base, receptionist's window, furniture installation, new ceramic tile and fixtures in restrooms.
