Bryant HVAC

Beat the Heat

Ayars & Ayars, Inc. was excited to be selected to work with Bryant HVAC to build their new headquarters located in Lincoln, NE. The pre-engineered metal building consists of warehouse space, fabrication shop and employee offices. The roof utilizes Butler's MR-24® Standing Seam Roof with a 80 foot clear-span. Our scope of work for the project included site work, concrete, masonry, metals and carpentry.

Project Details

➤ Location:
Lincoln, Nebraska

➤ Size:
