## Speedway Museum Addition

### Show us More!

This #1 attraction for car lovers is growing! The Museum of American Speed currently encompasses more than 150,000 sq. ft. spread over three levels. Once this addition is complete the entire museum will surpass the 200,000 sq. ft. mark. There will be space to display even more automotive artifacts from the Smiths' personal involvement in racing and hot rodding for more than six decades. The addition will include two stories adding a total of 54,350 sq. ft. to the facility.
